## Demand for Digital Seals the Deal for Bucks County Free Library

When Bucks County Free Library in Pennsylvania heard about EnvisionWare's Library Document Station™, they immediately saw a strategic fit with their patron service goals.

"Whether you're a small business owner, student, or retiree, almost everyone has a need to transfer materials digitally," said Bucks County Free Library Executive Director Martina Kominiarek. "The Library Document Station fulfills an essential library service by enabling patrons to scan and transfer all types of documents, photos and materials."

In addition to digital imaging, staff and patrons at Bucks County will use the Library Document Station for photocopying and printing services, meeting a range of service needs system-wide.
